WORK EXPERIENCE

Companio.ai (Australia) - Landing Page & GHL Automation Designer Oct 2025 – Feb 2026

- Designed landing pages that increased client user engagement by **15%** and improved lead capture rates.
- Built GoHighLevel automation workflows, reducing manual marketing tasks by **30%** and streamlining campaign execution.

GPL-Chimp (Dehli) - WordPress Web Developer Dec 2024 – Present

- Managed WooCommerce store products, pricing, and inventory; maintained **99% uptime** and smooth shopping experience.

GFR SMC Trading (Sargodha) - LMS & Landing Page Designer Sep 2023 – Present

- Developed LMS WordPress site and multiple landing pages; optimized page speed, improving user engagement by **20%**.

Shauoor Welfare Foundation (Lahore) - Website Developer July 2025 – Dec 2026

- Managed full website lifecycle — content updates, responsive pages, and smooth functionality for the organization's digital presence.

Love Holidays Travel (UK Client) - WordPress Designer June 2025 – Sep 2025

- Built an international travel booking website with secure booking, mobile responsiveness, and SEO optimization.

PROJECTS

PROJECT – Internship Finder [GitHub](#)

- Built a web-based internship discovery tool using **HTML, CSS, and JavaScript** to help students find and track internship opportunities.
- Implemented filtering, search functionality, and a clean responsive UI for seamless browsing across devices.

PROJECT – Maintenance System [GitHub](#)

- Developed a maintenance request management system using **Python and SQL** to log, track, and resolve maintenance tickets.
- Designed a structured database schema and user interface to manage work orders efficiently for organizational use.

FREELANCE – Elite Canvas Co. — Shopify Wall Art Store [Store](#)

- Designed and set up a complete **Shopify e-commerce store** for a wall art brand, including theme customization and mobile-responsive layout.
- Managed product listings, collections, and descriptions to ensure a seamless and visually appealing shopping experience.
- Optimized store speed and performance for faster page load times and improved customer retention.

FREELANCE – BN Group of Companies (BN Signature & BN International)

- Built separate **WordPress + WooCommerce websites** for two sub-brands: BN Signature and BN International - under the BN Group umbrella.
- Handled branding, visual design, and consistent UI across both sites to reflect each brand's identity.
- Set up WooCommerce stores with product management and ongoing website maintenance to ensure smooth operations.
